Shalom, please forward this as case to trustable services. I thank you so much! Mr. Daniel Manfred Neuhaus Leipzig Littstraße 7a VH D04103. Please protect us against what illegal and amoral, cardinal-sinful obscenity and capital crime: illegal "portrayism" that does not ask us for confirmation nor contract (which always to be permission one for any such), media-composed by stalkers and violators of our rights, mostly antijewish and anti/non-intellectual hot media vulgars. Forward case to the honored Scholars of The Talmud either, please. DMN
